## *A Letter from our Executive Director*

---

Hello, and thank you for visiting our website.

As the Executive Director of Senior Care Villa of Loomis, my team and I are proud to be a community family serving the residents and their families 24/7.

My name is Ilona Corpus and I was born and raised in Eastern Europe, Hungary. I emigrated to the US, in June of 2000.

Since 2006, I have provided leadership to multi and single-site Continuing Care Retirement Communities (CCRCs/RCFEs/Life Plan Communities) across California, serving in numerous leadership roles.

During my past 15 years of service with Senior Living organizations, I have used my extensive background in culinary services, operations and finance to drive strategic initiatives, deliver uncompromising customer service and create an environment of excellence.

As a licensed RCFE Administrator in California, I have served as a board member for San Joaquin Delta College Advisory Board and LeadingAge California chairperson for the Delta & Santa Ray Region. I hold a bachelor's degree in business administration from Hungary, graduating with highest honors.

My philosophy is to bring a fresh perspective to the senior living industry and to serve with purpose considering every dimension of wellness.

In my spare time, I enjoy spending time with my husband Rene, and their 3 years old dog "Chewy" driving the coast, playing badminton, going hiking and spending quiet nights at home playing trivia games.

I look forward to welcoming you to our community and encourage you to contact us today to schedule a visit with us.

*Ilona Corpus*
